BUT AFTER CONTINUOUS IMPROVEMENTS, WE WERE FINALLY ABLE TO SCAN OUR REAL ACCOUNT USERS THROUGH THE NET VIA THEIR SMART PHONES!
WE USED THE AMAZING COPY AND PASTE TECHNOLOGY CREATED BY THOSE ENGINEERS TO TELEPORT PEOPLE!
IT NEEDED A LOT OF EQUIPMENT TO WORK IN THE EARLY STAGES OF DEVELOPMENT...

WELL, I BASICALLY DID THE SAME THING AS WHAT YOU DID ON THE FIRST DAY!
I guessed as much, since Nanako was sent here as well.
THANKFULLY, THE DEFAULT SETTING WAS STILL SET TO THE REAL ACCOUNT WORLD.
